

My love to you all in the Seed of Life and Peace which flows as a river.

SEED NEVER CHANGES.

Life and Living Presence.

Life and Peace.

Power.

Good Seed.

Heavenly.

Sanctuary.

Overcomes.

Seed is a name that George Fox often uses for Christ. The name is Biblical. He tells Friends, who are Children of the Seed, that they should be faithful in the everlasting Seed. In Him they should spread the Truth over their own part of the world.

Friends are to feel the Seed, the heir of the Power of God. In Meeting they are to feel and know the Power and the Seed.

The Seed keeps Friends over the world in cleanliness and newness of Life. For God raised up His own seed in His saints.

*JOY EVERLASTING
THROUGH WHICH SEED
YOU DO OVERCOME.*

- Seed was in the beginning.
- Seed sown in the field.
- Seed of Life and Living Presence.
- God has put a pure Seed among us.
- Royal Noble Seed who never fell.
- Seed of God who never changes.

Take up Christ's yoke and with His heavenly plow turn up the earth which has oppresses and grieved the tender Seed.

Seed may be just another name for Christ. Fox names Jesus, Christ and Seed in the same sentence. They share many of the same characteristics:

A fine compass
Before enmity was.

Blessing and righteousness.
Dominion in all of us.
Ends all types and shadows.
Keeps above all inventions.
Immortal, eternal, everlasting.
In the beginning.

Never changes; never fell.
Renews up into the Image of God.
One.
Wisdom.
Universal.
Truth.
